

Gelato & Sorbetto[™]

CLASSICO CLASSICO

As a restaurateur, you know how competitive the hospitality industry can be. Customers expect great food, impeccable service and a pleasant dining experience. **Gelato Classico & Sorbetto Classico** help drive dessert sales and leave a great last impression.

Since 1976 fine restaurants and cafes have been serving our Italian-style ice cream and sorbet to patrons who have a passion for fine foods. We don't bulk up our products by mixing in air, which can make up to a third of competitors' ice creams. And our **fat-free, dairy-free** sorbetto contains top-quality fruit imported from all over the world. It's no accident that *Time* magazine called *Gelato Classico* "**the absolute best ice cream in the universe**."

- Proven to increase dessert sales by more than 50%
- Highest quality ice cream and sorbet with low food cost
 - Established, reliable distribution network
- New seasonal flavors to keep your menu fresh
